There are three levels of participation in the Advanced Ministry Training class.

The Reigning in Life Conference is a necessary pre-requisite to the Advanced Ministry Training class.

1. Personal Growth and Transformation Track (\$1000)

- To get the most for your time, you should attend all the lectures, complete all the assignments for class, and do as many, if not all, of the recommended books and audio messages.

2. Ministry Training Skills Track (\$300)

- The cost includes 4 personal mentoring sessions, a \$100 Exchanged Life Discipled's Handbook, and attending the Reigning in Marriage Workshop with your spouse. (There is no fee.) It is offered every other month on Saturdays. Sign up on line.
- You must attend all the lectures (or get the video make-up), complete all the assignments for class, do the memorization verses, and read the recommended books and listen to the audio messages prior to the end of class.
- Additionally, you must be regularly turning in summaries of all the books, videos and audio messages.
- Also, you will be scheduled with a Life Center staff for four personal mentoring sessions that include getting your history professionally taken as well as any ministry that might be necessary. (This is a great place for you to ask questions and get help in any way that will help you to ministry to others.)
- Lastly, you will receive your Exchanged Life Discipled's Handbook and be assigned a co-counselee as soon as we can work you into the schedule.

3. Internship / Certification (no charge)

- An interview with the Executive Director is required. (Use Lesson 30 to prepare for the interview.)
- You will need to take a staff members history, present Diagrams 1-8 and ten basic visual illustrations, explain the basic Exchanged Life model of ministry, be quizzed on relevant Scriptural knowledge and application, and explain what "exchanged life" means in demonstration that you are equipped to conduct a live session on your own.
- There are three additional classes that must be completed prior to scheduling a client.
- There are also additional required reading assignments to be completed within the internship period.
- This is an unpaid, six-month internship where you are eligible to receive up to 2 clients. (You will be assigned a supervisor.)
- After completion of the internship and completion of all the assignments and summaries, you will receive your Certificate of Completion of the Exchanged Life Ministry Counseling Program.
- At that time, you are eligible to come on staff at Life Center as a paid or volunteer Discipled.
